A service is available for use by both young and old who have mobility problems whether the result of permanent or temporary disability, age, accident or illness. Based in the Heart of the Town Centre it can loan wheelchairs and scooters to members of the public for half a day or the whole day to assist them in accessing the Town.

Shopper's Helper service

Shopper's Helper is to enable and empower the less mobile to fully access and participate in the local community by providing:

- Assistance with Shopping
- Providing companionship for a visit to a local cafe
- Accompaniment to an appointment
